SPRING TERM 2015 - Friday 20th March

Dear Parents,

We did it! 43 children, 5 members of staff and a Chair of Governors ventured out at 7:30am on a Sunday morning to brave the icy chills and take part in the North London Half Marathon. Mo Farrar started us all off so that we could run the last mile at the Alliance Park Stadium. We finished listening to the cheers of hundreds of parents who were out in force supporting all the children and staff! We are really proud of the children's commitment and hope they will continue to run and keep fit. Myself included!! Well done and thank you to everyone who took part, especially Mr Sweetingham.

Have a great weekend! Miss Kelly☺

Easter Bunny Hop!

Don't forget to send your child to school with their **signed** sponsor forms on Monday for our first Easter Bunny Hop. We don't want any child to miss out on jumping on the **huge** bouncy castle in the school hall. Let's try to make as much money as we can for our playground!

YOUR SCHOOL NEEDS YOU!

Let's go hopping mad!!!!

Friends Fundraising

Thank you to the Friends who organised two very successful Movie Nights this week. A special thanks to Sonny's mum who stayed both nights and cared for the children! Please look out for the posters around the school advertising our adult quiz night for Friday 8th May. Tickets will be on sale after Easter!

Please ensure your child is wearing the correct PE tracksuit and PE top. This is an important part of our uniform policy and should be equally as smart as the everyday uniform. Plain navy or white tops are not permitted. . If we suddenly think that parents might like to be part of an assembly, celebration or attend a learning session we will send a text out the day before inviting you to pop in. I know that this doesn't suit all parents due to work commitments, but it would be a shame for those who can pop in to miss out too. When something is planned for parents to see we will always try to give as much notice as possible and have the dates in the newsletter and the school calendar. We really believe that parents and teachers working together gives our children the best possible opportunities to succeed at school

★ SCIENCE WEEK ★

This week has been National Science Week and everybody at St Theresa's has taken part with great enthusiasm. Our week started off with a BANG! We had a Mad Science assembly and every class took part in a science workshop. During the week all classes carried out a range of experiments; where children were able to plan, predict, hypothesis and draw conclusions on their learning. Each class investigated a different scientist which was shared in our Friday Science Assembly. To conclude the whole school investigated aeroplane flight (forces) and took part in a paper-plane building competition to see whose plane could fly the furthest.

Well done and thank you to everyone who took part, especially Miss Reilly, our science leader, who organised the week!

Here are our class winners and overall school winner, who also received a prize in the assembly.

Rec	Lottie
Yr 1	Milo
Yr 2 Red	Jayden
Yr 2 Blue	Camilo
Y3	Nathaniel was the overall winner
Y4	Sofia
Y5	Giorgia
Y6	Zander was Runner up

Attendance

Reception & Yr 2 blue had the best attendance this week, with 100% attendance! Well done. 98% of children in the school came to school every day this week.
