SUMMER TERM 2014 - Friday 9th May

Dear Parents/Carers,

Our learning culture at St. Theresa's is all about having a go. Children are rewarded for challenging themselves, by trying something that may be hard and then persevering with it. This is for everyone including the high fliers! It's about being a have a go Mo! When we do this we make good progress, we're not held back - in fact, the sky is the limit. Next week our year 6 children will be sitting their Key Stage 2 SATs. We wish them all the very best of luck. They have worked hard; they have persevered. If any Year 6 can do it, they can!

Have a great weekend!

Miss Kelly

Year 1 Phonics Meetings

Many thanks to all the parents who attended the Y1 Phonics Meetings this week. We hope that you found the meeting and your information pack useful. Packs have been sent home for all those unable to attend. If you have any questions, Miss Sultana, Miss Row or myself will be happy to answer them. Thank you for your support.

Miss Johnson

School Dinner Menu Meeting

Emilia Arvstrand NHS Food Nutritionist met with parents this week. She listened to the views of the parents who attended. We will be sending out a questionnaire later in the term so that any possible changes to the menu by the Local Authority reflect the views of the majority.

Breakfast Club

Next week the Breakfast Club will be £1 for all the Yr 6 children. You can have a cooked breakfast from 7:45am to 8:40am. This is to ensure that all children are at school bright and early as some of you travel quite a distance!

Reminders: As you know we have been informing you of our weekly attendance figures which are very good on the whole. I just want to clarify the following procedures: If your child is physically sick we ask that they do not attend school the following day. This is to ensure they don't share their illness with anyone else and are well enough for school.

If your child has head lice we ask that they are treated the day you find out so that they can attend school the next day. Head lice treatment is very effective now so there is no need for a day off school. Many thanks to the Class Parent Reps who asked me to remind parents and "the school" of our procedures.
