## Dear Parents/Carers,

Another academic year has come to an end. Whilst some of us look forward to the Summer holidays some of us are wondering where the years have gone as they leave St Theresa's. Our school is a small close knit community and when our Yr 6 children leave there is a mixed sense of loss and pride. Many families are leaving us this year. They have been incredibly active in the St Theresa's community and have made it the school it is today. At the BBQ on Saturday it was lovely to see the Parents, especially the Reception parents, setting up the marquees, manning stalls & tidying away. It's the circle of life with a difference. It only evolves if all contribute & and work together for a positive outcome. Thank you to everyone for contributing to our St Theresa's community. Have a lovely Summer holiday & I look forward to seeing you - along with our new Reception intake - in September!

Miss Kelly 😊

## Achievements

Congratulations to the Reception children who graduated from Early Years Foundation Stage this week.

This particular group of children have achieved high levels this year. They are a talented group who have grown to be confident, independent members of the St Theresa's community.

Thank you to the parents and the Reception helpers Mrs Corbo and Mrs Omar for coming to the graduation to see the children dance and sing. Miss Johnson led the event which was a lovely occasion for all involved!

### *Note from Miss Howard*

As supply teacher I have worked in lots of schools and have met different teaching teams and children. I have been warmly welcomed into the St Theresa's Community. I have been supported by the exceptional staff and lovely parents. I'd like to wish the Year 6 children the best of luck- they are a credit to the St Theresa's School community.

*The ice cream and ice lolly sale yesterday raised £144 for the Bosnia Flood Relief Fund suggested by Louis in Yr 2 whose family community is still suffering from the effects of the disaster.*
