

Governors Update

Issue 03 - December 2014

Dear Parents and Carers,

I wanted to squeeze in an update before the end of the term so that I could thank you for all the letters of support and cards that you have sent to the school in response to the Ofsted report that was published earlier this week.

The response from the school community has been overwhelmingly positive which is very encouraging for everyone who works at the school, especially the staff. Additionally, it allows the Governing Body and the Headteacher to focus our resources on serving the needs of the children.

It is the quality of what we do every day that counts - not just what we do when there are inspectors in the school. All of us can play a role in supporting the school as it seeks to obtain a new judgement from Ofsted in 2015 that is a fairer reflection of the schools performance. We would love more of you to get involved to support the work of the Governors – please contact me via the school if you would like to discuss with me the possibility of helping.

On behalf of the Governing Body I wish you all a very safe, peaceful and holy Christmas and I look forward to seeing you in the New Year.

Best wishes

Dr Peter Carroll
