Total spent £9,285

<u>Impact of Sports Premium Evaluation</u>	
Barnet BPSS	Allowed for the school to be involved in all the Barnet Leagues and competitions which PP children could be entered into and allow them to compete against other school and develop skills in variety of sports. Need to ensure that next year we are more organised in booking on events before they are booked up and talk to PP children at start of the year to see which events they would like to take part in over the calendar year.

All 4 Sport to deliver the P.E curriculum across the school.	High Quality coaching allowed the P.E curriculum to be taught by well skilled and trained practitioners. All children assessed in all areas of the P.E curriculum. In future years to look into other providers of sports coaching to look at further developing the P.E curriculum at the school.
Introduction of Competitions manager for the school.	Competitions manager worked well in ensuring that teams were picked and organised (training for the competition and ensuring transport and adults are organised) worked well and allowed us to apply for
Extra-curricular activities for afterschool.	PP children were able to join and take part in a wide range of after school clubs which allowed them to pursue their interests and develop their skills in a wide range of sports.
Inter School Competitions	Allowed for PP children to become sports leaders and help develop and help run sports competitions in the school. This definitely develop the confidence of the children which had a huge positive impact on them in both a sporting and class room environment.
Sports Equipment	Well monitored and well-kept equipment allowed for us to save money on not replacing equipment. Next year more emphasis and research into what playground equipment is needed.
All 4 Sport gymnastics teaching for years 2-6 weekly. Teacher CPD	Good use of CPD for staff who were able to upskill their gymnastics teaching. School could in future use this CPD as a whole staff inset.
Non Stop Action to assist with Dance Festival preparation.	Raised the quality of the dance teaching and allowed for the children who represented the school at the dance festival to showcase a high quality dance.
