SPRING TERM TERM – Friday 7<sup>th</sup> February 2020

Dear Parents and Carers,

## Number day

Today the children all came to school dressed up in different numbers to celebrate number day! We had an assembly to talk about the great work that the NSPCC does and how our donations will make a difference to children all over the UK. We spent the morning doing lots of different maths activities and exploring different numbers and patterns. We had a lot of football shirt numbers.....

And some things we could count!

## Reception Assembly

Well done to the Reception class on performing their very first class assembly in front of the whole school and all their parents. They did a fantastic job telling us all about Jesus. The children learnt their lines and said them clearly with wonderful confidence and enthusiasm. Thank you to Mrs Descusera and the Reception team for organising and helping the children perform such a great assembly.

## Tag Rugby

On Tuesday Year 5 and 6 Tag Rugby Team took part in the Barnet Tag Tournament at Saracens' home ground Allianz Park. The team played some fantastic rugby, showing excellent attacking drive and some lovely passing and movement. After winning their first two friendly matches the team then went on to win their group and qualify for the quarter finals. In the quarter final we found ourselves up against an extremely quick and strong side. Although we battled well, the team sadly lost. We came away from the tournament with our heads held high and extremely proud of our efforts. Well done everyone! There are more photos on the sports gallery on the school website.

## Hindleap Warren Residential Meeting

For all parents of the children going on the Year 5 Hindleap Warren Residential, the pre-visit meeting will take place on the first Monday after half term (24<sup>th</sup> February) at 3pm in the Multi-Purpose Room. In this meeting we will be explaining all the equipment that the children will need, some of the activities they will be doing and giving out all the medical information that the staff will require.

## Film Night

On Wednesday Reception and Year 1- 3 watched 'The Secret Life of Pets 2' at their movie night, which was a great success. Thank you to all the volunteers who helped organise the evening and supervise the children. This Wednesday 12<sup>th</sup> February the rest of the school will be watching 'The Queen's Corgi'.

## Staying Safe

As many children are starting to walk home by themselves we would like to remind them to go straight home without taking diversions and not to talk to any strangers.

It's important to stay alert so distractions such as playing on mobile phones or listening to music on headphones should be avoided.
