SPRING TERM TERM – Friday 6th March 2020

CELEBRATE STORIES. LOVE READING.

It was wonderful to see so many fantastic costumes yesterday on World Book Day! The children looked AMAZING!

Throughout the day the children took part in a range of activities in their classes and spoke about their favourite story or character.

Here are some of the wonderful costumes that were on display throughout the school.

Can you spot one of Mr Fox's enemies in this picture?

Or name this brilliant Jacqueline Wilson creation?

Which one of these characters are on their way to a Mad Hatter's tea party?

The children all really enjoyed the day and loved talking about their favourite books and learning about their friends' costumes.

Voice of St Theresa's!

We are looking for someone to be the voice on our school's telephone answering system.

If you would like your child to enter, please write their name on an envelope and hand it in to the school office by **Tuesday 9th March**.

We will draw a name out of a hat and that person will be the voice for our answer machine this year.

All entries are £1. The money will be used to provide resources for the school.

Year 4 Trip to Christ College

As an early part of our Science Week activities, Year 4 had the opportunity on Wednesday to go and visit the Science labs at Christ College. They took part in some fascinating experiments involving chemical reactions. The children conducted their own experiments and used lots of different scientific equipment. The staff at Christ College commented on how wonderfully behaved the children were and what excellent questions and predictions they came up with in the session.

Thank you to Miss Jackson and the Year 4 team for taking the children on the trip and to Miss Georgious, our Science Leader, for organising the workshop and visit.
