13.EXECUTIVE HEADTEACHER'S (EHT) REPORT

13.1 The start of the new academic year has been a positive one and all children on roll have returned to school with the exception of one parent who has decided to withdraw from the school and opted for home schooling.

13.2 The staff are confident the children are over 99% happy to be back at school and are working in their year group bubbles and getting on with the new procedures in place to protect everyone.

13.3 Both the Executive HT and Head of School are involved in daily operational duties in the dining room and at the school gate which is very time consuming. The GB agreed this wasn't the best use of their time as senior leaders and proposed monitors were put in place to support the lunchtime which would provide opportunities for the children to step up to responsibility and demonstrate great behaviour. The EHT and Head of School, and staff

governor will look at this to see if a rota can be drawn up to support the dining room tasks and ensure all pupils remain within their bubbles.

13.4 Feedback from parents has been positive; however there is still more room for improvement to ensure everything is running more smoothly.

13.5 Management of pupils displaying suspected COVID-19 symptoms was discussed with the GB and it was noted the school is following the government guidance. With regards to the early years it was noted equipment is available for children to play with only in their within their own bubble.

13.6 All classes have now completed baseline assessments which are being reviewed by the SLT to identify the gaps in learning. A power point presentation will be sent to all parents detailing the curriculum plan for their child's year group for the autumn term. The Curriculum plans for each year group will also be published on the school website along with expectations for each year group by the end of the academic year.

QUESTION: How many children are on roll in Reception?

R: It was confirmed there are 21 children on roll in reception class.

QUESTION: Are there children at home awaiting tests

R: Yes, they are. Children displaying suspected symptoms cannot returned to school until they have a test which is negative, or isolate for 10 days.

13.7 All children at home will have equal access to online learning provision via See Saw. It was reported See Saw has been very positive and is being launched with the staff and pupils at Our Lady of Lourdes primary school.

QUESTION: Do we know how many children do not have access to IT?

R: The Head of School is across this and reported very few pupils have no IT access. Reception pupils have just started school and an assessment will be conducted to ensure all pupils have IT access.

13.8 The Chair thanked the Executive HT, and Head of School, and Staff Governor for all their efforts. It was noted the SDP will be reviewed following the base line assessment of all pupils, and presented to the GB in autumn 2.

ACTION: Executive HT

14. POLICIES FOR REVIEW

14.1 The following policies were reviewed and **APPROVED** by the GB

- CES Appraisal Policy and Procedures for Teachers
- CES Capability Policy and Procedure
- CES Sickness Absence Policy and Procedure
- CES Disciplinary Policy and Procedure

14.2 Child Protection Policy (CP): The CP policy was not seen by all Governors so it was agreed to extend the deadline for feedback. The GB **APPROVED** the policy subject to allowing those governors who had been unable to read the policy to add their comments via email to the EHT no later than Friday.

14.3 Staff Absence Policy: The EHT informed the GB there are two areas for consideration in this policy:

- i. To decide whether the school will accept requests for sabbaticals. The GB **AGREED** any request from a member of staff for a sabbatical would be at the discretion of the Governing Board.
- ii. A new law was introduced in April 2020 allowing a bereaved parent to have paid leave. The GB will need to agree a minimum paid leave period for this absence. The GB proposed the EHT seeks further guidance on this matter from Barnet HR before approval of the policy can be made.

19.1 QUESTION: Has the school received any additional funding from the Government in response to the extra costs associated with COVID-19?

R: The EHT confirmed the school has presented a detailed claim to the DfE in the summer term in excess of £10k for additional expenditure and is awaiting a response.

19.2 The DfE has promised additional funds to schools for tutoring to close the gaps as a result of the period of lost learning during national lockdown. The EHT confirmed the school has registered with the National Tutoring Programme. During the discussion concerns were presented about the budget constraints on the school.
