1. Statement of Intent

Educational achievement and subsequent life chances for looked after children (LAC) and previously-LAC (previously-LAC) are of real concern and need to be monitored closely. Pupils who are looked after require special treatment and additional attention in order to improve their situation.

St. Theresa's Catholic Primary School (we / St. Theresa's / school) endeavours to provide positive experiences and offer stability, safety, and individual care and attention for all our pupils. With this in mind, we aim to:

- Encourage pupils to reach their potential and to make good progress in relation to their professional, social and emotional development.
- Ensure that pupils enjoy high quality teaching and a curriculum which meets their needs and the requirements of legislation.
- Plan support for LAC realistically and use the school's resources efficiently to ensure the school meets their needs.
- Promote a positive culture in all aspects of school life.
- Help pupils develop their cultural, moral and social understanding.

2. Legal Framework

This policy has due regard to legislation and statutory guidance, including, but not limited to, the following:

- DfE (2018) 'The designated teacher for looked-after and previously looked-after children'
- DfE (2017) 'Exclusions from maintained schools, academies and pupil referral units in England'
- DfE (2018) 'Keeping children safe in education'
- DfE (2018) 'Working Together to Safeguard Children'

3. Definitions

“Looked after children (LAC)” are defined as:

Children or young people who are the subject of a Care Order or Interim Care Order under the Children Act 1989.

Children who are placed in foster care, children’s residential homes, with relatives or friends, in semi-independent or supported independent accommodation.

Children subject to a Care or Interim Care Order whilst placed with a parent, where the LA has parental responsibility.

Children who are not subject to an order, but are accommodated by the LA under an agreement with their parents.

“Previously-LAC” are defined as:

Children who are no longer looked after by an LA in England and Wales because they have either been adopted or are the subject of an adoption, special guardianship or child arrangements order.

Children who were adopted outside England and Wales from ‘state care’ (care that is provided by a public authority, religious organisation, or other organisation whose main purpose is to benefit society).

- Preserving confidentiality, where appropriate, and showing sensitivity and understanding.
- Being vigilant for any signs of bullying towards LAC and previously-LAC.
- Promoting the self-esteem of LAC and previously-LAC.

5. Pupil Education Plan

All LAC must have a care plan, a pupil education plan (PEP) is an integral part of this care plan.

The PEP is an evolving record of what needs to happen for a pupil to enable them to make the expected progress and fulfil their potential.

The PEP will reflect the importance of a personalised approach to learning which meets the identified educational needs of the child.

The school with other professionals and the child's carers will use the PEP to support the child's educational needs, raise the child's aspirations and improve their life chances.

All relevant bodies, such as the LA, the designated teacher and carers, will involve the child in the PEP process at all stages.

The PEP will address the pupil's full range of education and development needs, including:

- Access to nursery provision that is appropriate to the child's age.
- On-going catch-up support, which will be made available for children who have fallen behind with work.
- Suitable education provided by the LA, where the child is not in school because of suspension or exclusion.

- Transitional support where needed, such as if a child is moving to a new school.
- School attendance and behaviour support, where appropriate.
- Support to help the child meet their aspirations, which includes:
 - Support to achieve expected levels of progress for the relevant national key stage and to complete an appropriate range of approved qualifications.
 - Careers advice, guidance and financial information about FE, training and employment, that focusses on the child’s strengths, capabilities and the outcomes they want to achieve.
 - Out-of-school hours learning activities, study support and leisure interests.

6. Working with Agencies and the Virtual School Head

The school will ensure that copies of all relevant reports are forwarded to the LAC social workers, in addition to carers or residential social workers.

The school will coordinate their review meetings; for example, hold their annual review of LAC with their statutory care review.

The school will work with other agencies to exchange information, such as changes in circumstances, exclusions or attendance issues, taking prompt action, where necessary, to safeguard LAC and previously-LAC.

Behaviour management strategies will be agreed between the VSH and the school, to ensure challenging behaviour is managed in the most effective way for that individual child.

The designated teacher for LAC and previously-LAC will communicate with the VSH and child’s social worker to facilitate the completion of the PEP.

Through the designated teacher, the school will work with the VSH, social worker and other relevant agencies to monitor any arrangements in place so that actions and activities recorded in the child’s PEP are implemented without delay.

The designated teacher will communicate with the VSH and agree on how pupil premium plus (PP+) can be used effectively to accommodate the child’s educational attainment and progress.

PP+ for previously-LAC will be allocated directly to, and managed by, the school.

The school will work with the VSH to manage allocation of PP+ for the benefit of our cohort of LAC, or previously-LAC, and according to their needs.

If deemed necessary, the school will allocate an amount of funding to an individual to support their needs.

The designated teacher will ensure consistent and strong communication with the VSH regarding LAC who are absent without authorisation.

7. Training

The designated teacher (Inclusion Leader) and other school staff involved in the education of LAC and previously-LAC have received the appropriate training, this includes information about the following:

- SEND
- Attendance
- Homework
- Managing and challenging behaviour
- Safeguarding

8. Pupil Mental Health

LAC and previously-LAC are more likely to experience the challenge of social, emotional and mental health issues which can impact their behaviour and education. Designated teachers will have awareness, training and skills regarding a child's needs and how to support them in relation to behaviour management and mental health.

The designated teacher (Inclusion Leader) will work with the VSH to ensure the school is able to identify signs of potential mental health issues, understand the impact issues can have on LAC and previously-LAC, and knows how to access further assessment and support, where necessary.

9. Exclusions

Past experiences of LAC and previously-LAC will be considered when implementing the school's Behaviour Policy.

The school will have regard to the DfE's statutory guidance 'Exclusions from maintained schools, academies and pupil referral units in England' and, as far as possible, avoid excluding any LAC.

Where the school has concerns about a child's behaviour, the VSH will be informed at the earliest opportunity.

Exclusion will only be used as a last resort, after the school and VSH have considered what additional support can be provided to prevent exclusion, and any additional arrangements to support the pupil's education in the event of exclusion.

The school will inform parents that they can seek the advice of the VSH on strategies to support their child to avoid exclusion.

10. Pupils with Special Educational Needs and Disabilities

Support for LAC with SEND, who do not need an EHC plan, will be covered as part of the child's PEP and care plan reviews.

The SENDCo, class teacher, designated teacher (Inclusion Leader) and specialists will involve parents when considering interventions to support their child's progress.

If appropriate, the VSH will be invited to comment on proposed SEND provision for previously-LAC.

11. Monitoring and Review

This policy will be reviewed on an annual basis by the designated teacher (Inclusion Leader) and the Headteacher.

The next scheduled review date for this policy is July 2022.
