

We would like to see if we could have more after school clubs in the school. Coding, baking, art club, sports club.

More recycling in the school. We would like to try and recycle batteries and use bottle caps for artwork in the future to show how much plastic we can save.

A colorful rainbow arches over the text, which is set against a background of white, fluffy clouds. The text 'SCHOOL COUNCIL' is written in large, colorful, bubbly letters.

SCHOOL COUNCIL

Meeting
December 2021

We would like a clock for the prayer room and we think the school should bring back open day!

We would like the opportunity to have more dress up days in our classes!
