

In Maths we will:

- Identify the value of each digit in numbers given to three decimal places and multiply numbers by 10, 100 and 1000 giving answers up to 3dp.
- Multiply one digit numbers with up to 2dp by whole numbers.
- Use written division methods in cases where the answer has up to two decimal places.
- Solve problems which require answers to be rounded to specified degrees of accuracy.
- Recall and use equivalences between simple fractions, decimals and percentages, including in different contexts.
- Solve problems involving the calculation of percentages [for example, of measures and such as 15% of 360].
- Use, read, write and convert between standard units, converting measurements of length, mass, volume and time from a smaller unit of measure to a larger unit, and vice versa.

In our RE topic 'Being Sacramental People' we will:

- Recognise, describe or explain that people act in particular ways because of their faith.
- Explain how religious belief shapes life.
- Recognise, describe or explain some of the signs, symbols, words and actions in the Sacrament of Reconciliation.
- Identify and describe how the words, actions and symbols in the Sacrament of Reconciliation express its belief.
- Describe and explain the meaning and purpose of both Sacraments of Healing.

In History/Geography we will be:

- Ordering and understanding some key events of WW2.
- Identifying what countries were involved in WW2 and seeing where they are located.
- Investigating the role of women during WW2.
- Understanding what evacuees were and why they were evacuated.
- Researching what rationing was and why it was necessary.

Year 6 Spring 1 Topic: A Child's War.

In P.E we will be focusing on Hockey. We will:

- Choose and implement a range of strategies to attack and defend.
- Combine and perform more complex skills at speed.

In Computing, our topic is 'E-Safety'. We will:

- Identify the meaning of cyber-bullying and its consequences and outcomes.
- Realise the importance of privacy settings and keeping passwords safe.
- Look at the pitfalls of sharing photographs and videos.

In PSHE our topic is 'Money Matters'. We will:

- Look at the jobs people choose to do to earn income and to appreciate what value for money means.
- Look at how lending and borrowing works and the typical expenses that adults have to pay monthly.

In English we will be:

- Identifying and using the structural and language features of informal letters.
- Writing interesting and well-structured informal letters as an evacuee during WW2.
- Editing and improving our writing, using a dictionary and a thesaurus.
- Revisiting subordinate and main clauses.
- Identifying a range of determiners.
- Recapping on prepositions.
- Reading a range of fiction and non-fiction texts and developing our VIPERS skills.
- Looking at a range of adverts from WW2 and identifying persuasive techniques used within them.
- Designing and creating our own persuasive adverts.
- Deconstructing good examples of diary entries.
- Planning and writing interesting and detailed diary entries.

In our Art and Design we will:

- Use a range of materials and joining techniques to create a model of an Anderson shelter.
- Develop our sketching and shading skills, to create a self-portrait.

In Science our topic is 'Electricity'. We will:

- Associate the brightness of a lamp or the volume of a buzzer with the number and voltage of cells used in the circuit.
- Compare and give reasons for variations in how components function, including the brightness of bulbs, the loudness of buzzers and the on/off position of switches.
- Use recognised symbols when representing a simple circuit in a diagram.
- Research a scientist such as Lewis H. Latimer.
