

In Literacy we will be:

- Reading a selection of books about Superheroes
- Writing our very own comics. We will be focusing our comics on the adventures of 'Traction man'.
- We will continue to say out loud what we are going to be writing about and to sequence sentences to form short narratives stories.
- We will continue to use our basic skills of using a capital letter, full stop and finger spaces.
- We will also be focusing on using adjectives such as huge, strong, powerful, and using conjunctions to join a sentence such as "and", "because"

In Science we will be learning about everyday materials and the class will be:

- identifying and naming a variety of everyday materials.
- comparing and grouping together a variety of everyday materials based on their simple physical properties
- describing why some materials suit certain objects better than others
- carrying out an experiment to find out which materials are waterproof

In Computing we will:

- Consider ways in which having a 'Secret identity' online can help us stay safe.
- Learn about how algorithms may be written to control robots such as bee-bots, roamers or floor turtles.

Year 1 Spring Half Term Topic: Superheroes!

In PSHE we will be learning about Special People and we will be learning about:

- Identifying the "special people" in children's lives and what is it that makes them special
- Learning that it is important to talk to "special people" about things that trouble them.

In P.E we will be learning about: Using and applying skills in Hockey,

In our R.E topic 'Being a Sacramental People' we will be looking and learning about:

- Where God is now, that he is present all around us in our everyday lives.
- The world as a Sacramental place.
- Recognising that people are a special part of God's creation.
- Learning about the Sacrament of Reconciliation.

In our Mathematics learning the class will be looking at:

- Counting forwards and backwards and write numbers to 20 in numerals and words
- Counting one more and one less
- Comparing group of objects
- Ordering numbers
- Finding and make number bonds
- Adding by making 10
- Addition and subtraction
- Comparing number sentences

In History and Geography we will be learning about:

- Geography – our new topic provides an excellent platform to enquire about and explore the world around us. As Geographers we will be flying around the world learning about the seven continents and the five oceans.
- As Historians we will look at famous superheroes of the past and how they have impacted our lives today.

In our Art and Design we will be:

- Think about the appearance, qualities and special abilities of our favourite superheroes, then draw and label a superhero of our own creation.
- - Learn about some features of comic books and consider how they tell a story. We will then paint/draw a comic book-style picture with a speech bubble.
