

In Literacy we will be:

- Reading a selection of books about Superheroes.
- Writing our very own comics. We will be focusing our comics on the adventures of 'Traction man'.
- We will continue to say out loud what we are going to be writing about and to sequence sentences to form short narratives stories.
- We will continue to use our basic skills of using a capital letter, full stop and finger spaces.
- We will also be focusing on using adjectives such as huge, strong, powerful, and using conjunctions to join a sentence such as "and", "because"

In Science we will be learning about everyday materials and the class will be:

- identifying and naming a variety of everyday materials.
- comparing and grouping together a variety of everyday materials based on their simple physical properties
- describing why some materials suit certain objects better than others
- carrying out an experiment to find out which materials are waterproof

In Computing we will:

- Consider ways in which having a 'Secret identity' online can help us stay safe.
- Learn about how algorithms may be written to control robots such as bee-bots, roamers or floor turtles.

Year 1 Autumn Half Term Topic:

In PSHE our topic this term is, 'Celebrating Difference' and we will be:

- Identifying similarities between people in our class.
- Identifying differences between people in our class.
- Learning about what bullying is.
- Learning about how to be kind to people who are bullied.
- Learning how to make new friends.
- Learning that differences make us special and unique.

In P.E we will be learning about: Football

- Develop skills required in football such as passing, dribbling and shooting.

In our R.E topic 'From Advent to Christmas,' we will be looking at and learning about:

- what Advent is and what we do during Advent.
- Matthew's Gospel.
- Matthew's version of the Christmas story.
- Family trees
- The Jesse tree

In our Mathematics learning the class will be looking at:

- Counting forwards and backwards and write numbers to 20 in numerals and words
- Representing numbers on a number line.
- Using whole part models.
- Fact families.
- Writing number sentences.
- Finding and make number bonds to 10.
- Addition facts
- Subtraction

In History and Geography, we will be learning about:

- Geography – our new topic provides an excellent platform to enquire about and explore the world around us. As Geographers we will be flying around the world learning about the seven continents and the five oceans.
- As Historians we will look at famous superheroes of the past and how they have impacted our lives today.

In our Art and Design we will be:

- Think about the appearance, qualities and special abilities of our favourite superheroes, then draw and label a superhero of our own creation.
- Learn about some features of comic books and consider how they tell a story. We will then paint/draw a comic book-style picture with a speech bubble.
