

We want the school to have more opportunities for whole school competitions for writing and art.

More fundraising opportunities for the school.  
Movie Nights, Own clothes days etc.

## School Council 2023/24 Action Plan

More activities and things to do at lunchtime.

Try and make sure that there are things we can do for the local community such as nurseries, retirement homes and local shops.

We want the school to be more aware of things we could do to help the environment.
