

In Literacy we will be:

- Reading a selection of books about Superheroes
- Writing our very own comics. We will be focusing our comics on the adventures of 'Traction man'.
- We will continue to say out loud what we are going to be writing about and to sequence sentences to form short narratives stories.
- We will continue to use our basic skills of using a capital letter, full stop and finger spaces.
- We will also be focusing on using adjectives such as huge, strong, powerful, and using conjunctions to join a sentence such as "and", "because"

In Science our topic is : **Celebrations**

We will be learning to:

- Distinguish between an object and the material from which is made.
- To describe the simple physical properties of a variety of every day materials
- Observe things using simple equipment
- To identify and classify
- To use observations and ideas to suggest answers to questions
- To gather and record data to help answering questions

In Computing we will be:

- Learning and discussing how to be safe on the internet.
- Move a programmable toy in different directions
- Give and follow instructions
- Combine commands to follow a route

In RSE children will learn that we are part of God's family.

- Saying sorry is important and we can mend friendships
- We should love other people in the same way God loves us

Year 1 Autumn 2 Half Term Topic:

Traction Man

In PSHE we will be learning about: **Celebrating Difference**

- Accept that everyone is different
- Include others when working and playing
- Know how to help if someone is being bullied
- Use kind words

In P.E we will be learning about: **Athletics**

- Develop skills required in athletic activities such as running at different speeds, changing direction, jumping and throwing.

In our R.E topic '**From Advent to Christmas**' we will be looking and learning about:

- Recognise some symbols of Advent
- Understanding that Advent is a time of preparation in the Church

In our Mathematics learning the class will be looking at:

- Counting forwards and backwards and write numbers to 20 in numerals and words
- Introducing parts and wholes
- Write number sentences
- Addition facts
- Number bonds within ten
- Addition problems
- Subtraction
- Comparing number
- Subtraction on a number line
- Add and subtract one or two

In History we will be learning about **Historical Superheroes:**

We will:

- Listen to the stories of real life historical superheroes
- Finding out what the historical superheroes did to make things better for others
- Discuss why they are real life superheroes
- Role play the stories of the historical superheroes
- Respond to the stories through independent writing, drawing and small world play.

In Art and DT:

- Using a range of materials creatively to design moving pictures, slide pictures and 2D pop up pictures. Moving Pictures
- Explore and evaluate a range of existing products in the context of exploring existing moving books
- Explore and use mechanisms (for example sliders), in their products in the context of using a slider to make a picture move.
