Minutes	Max to take the minutes	Max to pass on to Mr Troy
Questions for the SC	Year 6 started and brought up the following issues raised by their class which then led other reps top share their ideas – the main were: • Class would describe the school as respectful, fun and exciting. • They raised the concern that the field in the playground as there are lots of potholes. • More board games for wet play and opportunities for children to do things at lunch i.e clubs for kids who do not want to go outside. • A slightly wider range of home learning would be good as we seem to have maths and literacy a lot. Computing was brought up as something they would like. • Bigger food bank in the office. • More manga/ comics in the library.	• Mr Troy to get caretaker to look at field and fill holes with soil and level out. • Hos to look at board games in the school and redistribute accordingly. • Look at optional home learning tasks to do. • Contact charities for magazines/ manga for the library or reading corners. • Staff CPD on engaging games and IT games that can help develop classroom practice. • Look at opportunities for children to have more flexibility in their writing tasks and learning in class. • Hos to look at recycling programmes school can join in with.

	• More opportunities to play things like blooket in class and fun games where learning isn't just • More opportunities for children to choose their learning. • More recycling initiatives.	
Shortlist of actions	• We discussed the list and said we would come together next week to discuss what we think would be the most important and be on our shortlist for the 2025/26 academic year.	Mr Troy to create diamond nine packs for next school council meeting.
