Year 2 Autumn 2 - Titanic Tragedy

In Literacy we will be:

- Writing an invitation to someone to join them on the HMS Titanic.
- Recapping proper nouns and capital letter use.
- Developing planning skills for our writing.
- Annotating the features of a diary entry.
- Reading a selection of books about the Titanic, such as 'Titanicat' and 'Rescuing Titanic'.
- Researching all the amazing things that you could do aboard the Titanic
- Writing up their diary entries about their first few days aboard the Titanic
- Reading aloud and working on intonation, fluency and expression
- Using alliteration and third person in their newspaper articles about the Titanic
- Continuously developing our cursive handwriting.

In our Science topic, 'Healthy Humans'. The lessons teach the children how to notice that animals, including humans, have offspring that grown into adults.

1. Learn stages of human life cycle.
2. Describe stages of life from adulthood to old age.
3. Learn to match offspring with parent.
4. Explore life cycle of chicken.
5. Describe life cycle of butterfly.
6. Explore life cycle of a frog.

In Computing we will be:

- Recognising what devices can be used to take photographs.
- Taking photos in both landscape and portrait format.
- Exploring the effect that light has on a photo.
- Recognising that images can be changed.
- Identifying which photos are real and which have been changed.

In PE we will be learning about Dance

- Developing dance skills

In RHEC – 'Religious Understanding', we will learn about the story from the Gospel of Matthew, when Jesus welcomed all of the children to come to Him. The five-story sessions encourage children to understand that they are created by God out of love and for love.

In our R.E topic 'Prophecy and Promise' we will be:

- Recognising the season of Advent in symbol and ritual.
- Identifying some of the people that encounter Jesus and recognising that he is special.
- Retelling the story of John the Baptist and the baptism of Jesus.

In our Mathematics learning the class will be looking at:

- Add and subtract across a 10
- Subtract a 1-digit number from a 2-digit number (across a 10)
- Find 10 more and 10 less
- Learn our 2, 5 and 10 times tables.
- Add and subtract 10s
- Add and subtract two 2-digit numbers
- Compare number sentences
- Work out missing number problems

In History, we will be learning about:

- The story of the Titanic, from its ambitious construction to its tragic sinking on 15th April 1912.
- The everyday lives of people and hearing recordings/accounts of what life was like on board the Titanic.
- The roles of the crew on board the Titanic.
- The sequence of events that led to the sinking of the Titanic.
- The importance of the rescue operation and why it was significant.

In our Art and Design (**Explore & Draw-**) , we will be:

- Introducing the idea that artists can be collectors & explorers as they develop drawing and composition skills.
